Erratum: Yuan, M.D. & Wang, R.J. (2020) *Involucrella lithophila* (Rubiaceae: Spermaceae): A new species from Guangxi, China. *Phytotaxa* 464 (1): 59–68.

Please note the Taxon, Voucher (herbarium) and GenBank accession numbers of *Dimetia scandens* (Roxb.) R.J. Wang, *Debia ovatifolia* (Cav.) Neupane & N.Wikström, and *Hedyotis effusa* Hance on page 61 in Table 1:

<i>Dimetia scandens</i> (Roxb.) R.J. Wang	Rui-Jiang Wang 1230 (IBSC)	JF699918	JF700067
<i>Debia ovatifolia</i> (Cav.) Neupane & N.Wikström	Xing Guo <i>et al.</i> 20_1 (IBSC)	JF699940	F700090
<i>Hedyotis effusa</i> Hance	Xing Guo <i>et al.</i> 1268_3 (IBSC)	JF699935	JF700085

Should read:

<i>Dimetia scandens</i> (Roxb.) R.J. Wang	Ping Yang <i>et al.</i> 6 (IBSC)	JF699950	JF700100
<i>Debia ovatifolia</i> (Cav.) Neupane & N.Wikström	Xing Guo <i>et al.</i> 20_1 (IBSC)	JF699940	JF700090

Please note the name of *Involucrella longipedicellata* in FIGURE 5 on page 67:

Involucrella longipedicellata 1

Involucrella longipedicellata 2

Should read:

Involucrella lithophila 1

Involucrella lithophila 2
