

## ONE HUNDRED AND SEVENTY FIVE NEW SPECIES OF GRAPHIDACEAE

MOHAMMAD SOHRABI, ROBERT LÜCKING & H. THORSTEN LUMBSCH (EDS)

5. **ONE HUNDRED AND SEVENTY FIVE NEW SPECIES OF GRAPHIDACEAE—a special issue of *Phytotaxa***  
MOHAMMAD SOHRABI, ROBERT LÜCKING & H. THORSTEN LUMBSCH
7. **One hundred and seventy five new species of Graphidaceae: closing the gap or a drop in the bucket?**  
ROBERT LÜCKING, MARK K. JOHNSTON, ANDRÉ APTROOT, EKAPHAN KRAICHAK, JAMES C. LENDEMER, KANSRI BOONPRAGOB, MARCELA E.S. CÁCERES, DAMIEN ERTZ, LIDIA I. FERRARO, ZE-FENG JIA, KLAUS KALB, ARMIN MANGOLD, LENA MANOCH, JOEL A. MERCADO-DÍAZ, BIBIANA MONCADA, PACHARA MONGKOLSUK, KHWANRUAN B. PAPONG, SITTIPORN PARNMEN, ROUCHI N. PELÁEZ, VASUN POENGSUNGNOEN, EIMY RIVAS PLATA, WANARUK SAIPUNKAEW, HARRIE J.M. SIPMAN, JUTARAT SUTJARITTURAKAN, DRIES VAN DEN BROECK, MATT VON KONRAT, GOTHAMIE WEERAKOON & H. THORSTEN LUMBSCH
39. **New higher taxa in the lichen family Graphidaceae (lichenized Ascomycota: Ostropales) based on a three-gene skeleton phylogeny**  
H. Thorsten Lumbsch, Ekaphan Kraichak, Sittiporn Parnmen, Eimy Rivas Plata, André Aptroot, Marcela E.S. CÁCERES, DAMIEN ERTZ, SHIRLEY C. FEUERSTEIN, JOEL A. MERCADO-DÍAZ, STAIGER, B., VAN DEN BROECK, D. & ROBERT LÜCKING
52. **Revisiting the phylogeny of Ocellularieae, the second largest tribe within Graphidaceae (lichenized Ascomycota: Ostropales)**  
EKAPHAN KRAICHAK, SITTIPORN PARNMEN, ROBERT LÜCKING, EIMY RIVAS PLATA, ANDRÉ APTROOT, MARCELA E.S. CÁCERES, DAMIEN ERTZ, ARMIN MANGOLD, JOEL A. MERCADO-DÍAZ, KHWANRUAN B. PAPONG, DRIES VAN DEN BROECK, GOTHAMIE WEERAKOON & H. THORSTEN LUMBSCH
82. **New fertile isidiate Graphidaceae from the Solomon Islands**  
ANDRÉ APTROOT
87. **Remarkable diversity of the lichen family Graphidaceae in the Amazon rain forest of Rondônia, Brazil**  
MARCELA E.S. CÁCERES, ANDRÉ APTROOT, SITTIPORN PARNMEN & ROBERT LÜCKING
137. **New Graphidaceae from northern Argentina**  
LIDIA I. FERRARO, ROBERT LÜCKING, ANDRÉ APTROOT & MARCELA E.S. CÁCERES
147. **New species of Graphidaceae from Zhejiang Province, China**  
KLAUS KALB & ZE-FENG JIA
153. **Seven new species of Graphidaceae (Lichenized Ascomycetes) from the Coastal Plain of southeastern North America**  
JAMES C. LENDEMER & RICHARD C. HARRIS

176. **Three new species of thelotremoid Graphidaceae (lichenized Ascomycota: Ostropales) from tropical Africa**  
ROBERT LÜCKING
180. **New species of graphidoid and thelotremoid Graphidaceae from Australia**  
ARMIN MANGOLD, ROBERT LÜCKING & H. THORSTEN LUMBSCH
186. **Two new genera and twelve new species of Graphidaceae from Puerto Rico: a case for higher endemism of lichenized fungi in islands of the Caribbean?**  
JOEL A. MERCADO-DÍAZ, ROBERT LÜCKING & SITTIPORN PARNMEN
204. **Preliminary insights into the diversity of the lichen family Graphidaceae in New Caledonia (Ostropales, Ascomycota), with the description of 23 new species**  
KHWANRUAN B. PAPONG, ROBERT LÜCKING, EKAPHAN KRAICHAK, SITTIPORN PARNMEN, MATT VON KONRAT & H. THORSTEN LUMBSCH
232. **New species and new records of thelotremoid Graphidaceae (Ascomycota: Ostropales) from Thailand**  
KHWANRUAN B. PAPONG, ARMIN MANGOLD, ROBERT LÜCKING & H. THORSTEN LUMBSCH
245. **High diversity of *Ocellularia* (Ascomycota: Graphidaceae) in the Colombian Llanos, including two species new to science**  
ROUCHI N. PELÁEZ, BIBIANA MONCADA & ROBERT LÜCKING
255. **New species of Graphidaceae from Loei Province, Thailand**  
VASUN POENGSUNGNOEN, LENA MANOCH, PACHARA MONGKOLSUK & KLAUS KALB
268. **Phylogenetic analysis reveals two morphologically unique new species in the genera *Astrochapsa* and *Nitidochapsa* (lichenized Ascomycota: Graphidaceae)**  
VASUN POENGSUNGNOEN, LENA MANOCH, P. MONGKOLSUK, KANSRI BOONPRAGOB, SITTIPORN PARNMEN, ROBERT LÜCKING, ANDERS TEHLER & H. THORSTEN LUMBSCH
282. **Five new thelotremoid Graphidaceae from the Philippines**  
EIMY RIVAS PLATA, HARRIE J.M. SIPMAN & ROBERT LÜCKING
289. **New species of Graphidaceae from the Neotropics and Southeast Asia**  
HARRIE J.M. SIPMAN
312. **New species of Graphidaceae (Ostropales, Lecanoromycetes) from southern Thailand**  
JUTARAT SUTJARITTURAKAN, WANARUK SAIPUNKAEW, KANSRI BOONPRAGOB & KLAUS KALB
325. **Three new species of Graphidaceae from tropical Africa**  
DRIES VAN DEN BROECK, ROBERT LÜCKING & DAMIEN ERTZ
331. **Thirteen new species of Graphidaceae (lichenized Ascomycota: Ostropales) from Sri Lanka**  
GOTHAMIE WEERAKOON, ROBERT LÜCKING & H. THORSTEN LUMBSCH
