

<https://doi.org/10.11646/phytotaxa.528.1.10>

Pham *et al.* (2021) Notes on the genus *Chamaeanthus* (Orchidaceae, Epidendroideae, Vandaeae, Aeridinae) with a new species from Vietnam. *Phytotaxa* 524 (2): 131–134.

In our paper entitled: “Notes on the genus *Chamaeanthus* (Orchidaceae, Epidendroideae, Vandaeae, Aeridinae) with a new species from Vietnam”, on page 134, while making new combinations, a full and direct reference to the place of publication for the basionyms were missing. This goes against the Article 41 of the International Code of Nomenclature for algae, fungi, and plants (Turland *et al.* 2018). Hence, we would like to correct that mistake by giving full citations of the two basionyms.

Chamaeanthus canhii (Aver.) Vuong & Kumar *comb. nov.*

Basionym: *Biermannia canhii* Aver.; Type:—VIETNAM. ex-cult., s.loc., 18 October 2017, N.V. Canh, L. Averyanov, T. Maisak, AL 323a (holotype – LE!).

Chamaeanthus longicheila (Aver. & Nuraliev) Vuong & Kumar *comb. nov.*

Basionym: *Biermannia longicheila* Aver. & Nuraliev; Type:—VIETNAM. Gia Lai Province: K’Bang District, K’rong Municipality, Kon Ka Kinh National Park, 620 m, 9 May 2017, Nuraliev, Kuznetsov, Kuznetsova 1726 (holotype LE!).

It should have been:

Chamaeanthus canhii (Aver.) Vuong & Kumar *comb. nov.*

Basionym: *Biermannia canhii* Averyanov, *Taiwania* 63: 123 (2018); Type:—VIETNAM. ex-cult., s.loc., 18 October 2017, N.V. Canh, L. Averyanov, T. Maisak, AL 323a (holotype – LE!).

Chamaeanthus longicheila (Aver. & Nuraliev) Vuong & Kumar *comb. nov.*

Basionym: *Biermannia longicheila* Averyanov & Nuraliev, *Phytotaxa* 343: 194 (2018); Type:—VIETNAM. Gia Lai Province: K’Bang District, K’rong Municipality, Kon Ka Kinh National Park, 620 m, 9 May 2017, Nuraliev, Kuznetsov, Kuznetsova 1726 (holotype LE!).

Thanks to Dr. André Schuiteman (K) for pointing out these errors.
