**Funez, L.A. & Hassemer, G. (2018) Erratum for “*Hoehnea grandiflora* (Lamiaceae), a rare, critically endangered new species from southern Brazil” *Phytotaxa* 349 (2): 159–166.**

During the copyediting process of this article, the Figure 4 and its caption, present in the original manuscript submitted to the journal, were mistakenly omitted, an error that went unnoticed to editors and authors during the proofing step.
