In our paper entitled “Notes on the type specimen of *Acanthocalyx delavayi* (Caprifoliaceae) at Herbarium of the National Museum of Natural History in Paris (P)” (Phytotaxa 451 (1): 090–092), we have noticed an inadvertent error regarding the affiliation information and the author order where the affiliations of the first author require additional institute: University of Chinese Academy of Sciences, and Mr. Chih-Chieh Yu should be listed as co-corresponding author because of his contribution to the preparation of manuscript.
